Admissions, Financial Aid and Residence Hall Application Procedures

Application Procedures

Concordia operates on a rolling admissions basis with acceptances offered in the order in which application files are completed. You may generally expect an admission decision within 10 days of the time we receive the appropriate materials.

Personal interviews are not required unless specifically requested. However, visits to the campus are strongly encouraged to provide you with better information on which to make a college decision.

We will accept the ACT or SAT as a college entrance examination. If you present more than one set of test scores, only the better/best will be considered. ACT or SAT is required for freshman acceptance. Concordia's codes are ACT: 2104 SAT: 6113

Affordability

Financial need is never a factor in Concordia admissions decisions. Concordia students receive more than \$60 million each year in financial aid. The average award – including grants, scholarships, loans and work study – is more than \$21,000. The financial aid application process consists of filing the Free Application for Federal Student Aid online at www.fafsa.gov. For further information on financial aid programs, policies and procedures, please visit Concordia's Financial Aid Office or Web site. Information on scholarships not requiring a financial aid application can be obtained from the Office of Admissions.

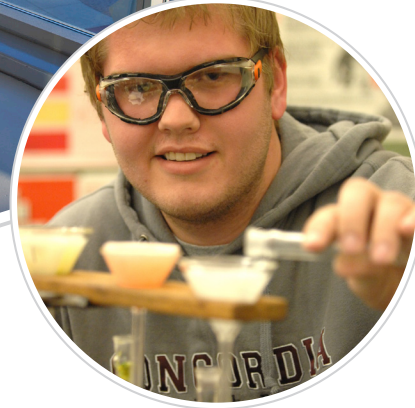

References/Transcripts

Based on the reference and academic information you provide, we will request your academic records and send reference forms to the people you specify. Please sign and complete the application and return it so we are able to request your academic information. As a courtesy to these people and because it may speed up your application, you may wish to talk with your references and request permission to use their names. Transfer students must list all colleges previously attended and provide transcripts from those colleges as well as a final high school transcript.

Deposit

After you have been accepted, you are encouraged to reserve your place at Concordia with a \$200 tuition deposit, refundable until May 1. Because freshmen and sophomores are required to live in residence halls (local students may live at home), housing availability becomes a limiting factor in enrollment. Housing assignments will be made beginning in February for students who have paid the \$200 advance deposit. Residence hall assignments will be made in the order in which the deposit is received.

The Admissions and Financial Aid offices are designed to serve you. We welcome your letters, visits and calls at (218) 299-3004 or (800) 699-9897, or e-mail us at admissions@cord.edu.

This form and your \$20 application fee should be returned to:
Office of Admissions
Concordia College
901 8th St. S.
Moorhead, MN 56562

If you prefer to file your application electronically, that option is available on the Concordia Website at www.ConcordiaCollege.edu.
