The Concordia Choir of Moorhead, Minn., continues to affirm its reputation as one of America's finest a cappella choirs. Since 1920, the 72-voice choir has performed in nearly every major hall, including Carnegie Hall and Kennedy Center, as well as numerous international tours.

A February 2010 performance and recording session with the Grammy Award-winning King's Singers and multiple performances on Garrison Keillor's "Prairie Home Companion" radio show highlight the choir's world-class quality. In May 2011, the choir toured South Korea and performed with Hakwon Yoon's Incheon City Chorale.

The Concordia Choir is featured in the Emmy® Award-winning Concordia Christmas Concerts, which are nationally broadcast on public television. The choir's recordings are distributed internationally and through iTunes, making it one of the top-selling choirs in the country.

Dr. René Clausen is the third conductor in the choir's illustrious history, assuming the role in 1986. As a composer he has written more than 100 commissioned works, which are distributed by seven publishers.

This year's 2012 national tour of the southwestern United States spans 15 days, begins in Denver and concludes with San Francisco and Minneapolis.
